2008/2009

Chase March  
Grade 3/4

## Long Range Plan

---

### Affective Goals

#### Students will:

- ✓ interact respectfully with one another while working independently, in cooperative groups, or in whole group settings.
- ✓ develop self-control and self-discipline.
- ✓ develop a respect for knowledge and take responsibility for their own learning.

### Academic Goals

- ✓ Students have specific expectations to meet by the end of the school year according to their grade
- ✓ The following expectations are from the Ministry of Education's Ontario Curriculum Unit Planner
- ✓ Each expectation has a code assigned to it and the code will be on the Week at a Glance plans as well
- ✓ The first number in the code is the Grade level (4m2 is a Grade 4 code whereas 3m2 is a Grade 3 code)
- ✓ The letter in the code refers to the subject area (e = English, m = Math, s = Science, z = Social Studies, p = Physical Education / Health, a = The Arts)
- ✓ Therefore, 4m2 is a code for Grade 4 and this expectation is the second one listed in the Mathematics curriculum.

### Year at a Glance

- ✓ Following the Academic Goals is the Year at a Glance Plan.
- ✓ This plan highlights the curriculum expectations that will be covered in each unit.

### Week at a Glance

- ✓ Following that are the Week at a Glance plans that outline all subject areas.

### Expectations By Term

- ✓ This chart highlights all the expectations for the year by term
